

Wolf Lake Onion Days Festival

July 31st - August 2nd 2025

Dear Wolf Lake Area Business

Planning for the 2025 Wolf Lake Onion Days Festival has begun. We are calling out to our local community heroes, who give so graciously, for another year of support and sponsorship.

Last year, we were able to acquire the mini split unit for cooling relief during the high temperatures or humid air. This could not have been done without the dedicated sponsors we are so grateful to have in our community. Thank you, again, for giving a little extra so that we could add this much-needed feature to the park building.

This year's theme is "From Boots to Roots, Still Serving the Community." Your contributions are a vital part of the Onion Days Festival, as they allow us to offer the community a few days of fun and excitement! We will continue to give back to the community by using local businesses to purchase our supplies and prizes, if available. By continuing to support the Wolf Lake community and the Onion Days Festival, we all prosper as a community. Please assist our committee in providing a family-friendly, hometown festival by reviewing the following sponsorship levels and returning your check to the address below. Attached is a list of events you may choose to sponsor by making a note on the memo line of your check.

ONION DAYS COMMITTEE: PO BOX 305, WOLF LAKE, IN 46796

GREEN LEVEL

UP TO \$150

YELLOW LEVEL

\$151 TO \$250

RED LEVEL

\$251 TO \$500

SWEET LEVEL

OVER \$500

In return for your financial support, your business name will be listed in the festival schedule booklet and be announced during the event you wish to sponsor. All Red and Sweet Onion levels will have an ad placement in the booklet. Any business who may want to display a banner along the fence of the main performance area of the park needs to contact a committee member to get this arranged. A committee member will follow up with you if we have not heard back from you by June 30th as this date will be our last sponsor wrap up to guarantee the promised advertising.

2025 theme: From Boots to Roots, Still Serving the Community

Thank you for your continued support!
