

Wolf Lake Onion Days Festival

August 3rd – 5th 2023

Dear Wolf Lake Area Business

Holy Cow! It's that time of year again and we have begun planning for the 2023 Wolf Lake Onion Days Festival. Just like previous years, we cannot pull this off without the help of you, our gracious sponsor.

In addition to the yearly costs of bringing the Onion Days Festival, this year we will need to replace the PA system equipment and we are working with the park Trustee to install an air conditioning unit for the building. Our current PA system is no longer working as needed and after last year's hot and humid event, we decided we needed a cooler area for anyone with health conditions, for people to recover from overheating, and any possible ailments from the high temps or humid air. A little extra would greatly help us out with these extra costs.

This year's theme is "Holy Cow! Have you herd it's been 50 years?" As always, your contributions are a very important part of the festival, as it allows us to offer the community a few days of fun and excitement! Just like the past couple of years, we will continue to give back to the community by using local businesses to purchase our supplies and prizes, if available. By continuing to support the Wolf Lake community and the Onion Days Festival, we all prosper as a community. Please help our committee in offering a family-friendly, hometown festival by reviewing the following sponsorship levels and return your check to the address below. Attached is a list of events you may choose to sponsor by making a note on the memo line of your check.

ONION DAYS COMMITTEE: PO BOX 305, WOLF LAKE, IN 46796

In return for your financial support, your business name will be listed in the festival schedule booklet and be announced during the event you wish to sponsor. All Red and Sweet Onion levels will have an ad placement in the booklet. Any business who may want to display a banner along the fence of the main performance area of the park needs to contact a committee member to get this arranged. A committee member will follow up with you if we have not heard back from you by June 5th as this date will be our last sponsor wrap up to guarantee the promised advertising.

2023 theme: Holy Cow! Have you herd it's been 50 years?

"Thank you" in advance for helping us continue this festival!
